

Schools, Nature Centers, Libraries and more!
**Nature Programs, Art Activities, and Book Readings by Local Montana Author
 Donna Love**

Enjoy outstanding presentations prepared for any event - from elementary school to adult natural history.
 LOONS, OSPREYS, GREAT BLUE HERONS, ELK, GLACIER NATIONAL PARK,
 NATIVE GAMES OF THE NORTH and NATIVE PEOPLE OF THE NORTH

What is the largest bull elk called?

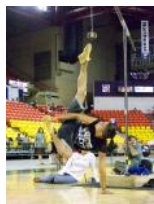

Where do our ospreys go in winter?

Why do loons only go on land to nest?

What Native games are played in Alaska and when were they invented?

How long are a great blue heron's wings?

Are the glaciers really melting?

Award-winning author Donna Love has written numerous nature books for young people. She regularly brings her interactive natural history and art programs to grade schools and public events in Montana and the Pacific Northwest.

Her motto, *"The more you know about something, the better care you can give it."*

To learn more about Donna's books go to,

donnalove.com.

With a background art education, Donna has developed arts and crafts and activities for most of her programs.

To see a sampling, go to donnalove.com and click on "Arts and Craft Activities," under each book in 'About Donna Love Books.'

Make a Mountain Goat Mural!
